Attached is the text of S. 2477, the Lobbying Disclosure Act of 1976, as it was passed by the Senate on 15 June. As it emerged originally from the Senate Government Operations Committee, the bill did not present us with any problems. However, there were numerous floor amendments to the bill in the course of Senate consideration. The provision which I am particularly concerned about is section 3(e)(3), which resulted from a Kennedy floor amendment. Please review and let us know if this provision or any other in the act adversely affects Agency interests. The House has not considered lobbying legislation, but is planning to do so in the future.
